Towards the future **ALtogether**

Prenderci cura
della nostra casa comune, il pianeta,
prenderci cura gli uni degli altri,
è urgente,
al fine di mantenere in salute
il fragile equilibrio dell'ecosistema
di cui TUTTI facciamo parte.

Inspired by
Papa Francesco
Enciclica Laudato Si'...

It's urgent to take care
of our common home, the planet
and to take care of one another,
in order to maintain
the fragile balance of the ecosystem
we all are part of in good health.
